

## Letter of Recommendation

MusQul Infotech has done a great job as Our Principal partner in Nigeria providing Healthcare IT Solutions across Africa. They have done fabulous work for robustly promoting Our Healthcare IT Solutions in their territory; supporting us in reaching out and providing Our world class solutions to the largest private Healthcare companies and governments. They have strong focus in building Partner ties and expertise in delivery of Enterprise Solutions to Channel Partners/Clients. We wish MusQul Team All the very Best for their Concentrated efforts in Life Sciences, Healthcare & Pharma.

Best Regards,
